

Audit and Risk Committee Charter

(As of February 15, 2023)

1. Purpose

The purpose of the Audit and Risk Committee (the "**Committee**") is to oversee the accounting and financial reporting processes of Iris Energy Limited (the "**Company**") and the audits of the financial statements of the Company and its wholly owned subsidiaries (the "**Group**").

In this Charter, "we," "us," "our" and "the Company" refers to Iris Energy Limited, unless the context otherwise requires.

The Committee's responsibilities are limited to oversight. Our management is responsible for establishing and maintaining accounting policies and procedures in accordance with International Financial Reporting Standards ("**IFRS**") and other applicable reporting and disclosure standards and for preparing the Group's financial statements. Our independent auditors are responsible for auditing and reviewing those financial statements.

2. Composition

The Committee must consist of at least three directors, subject to any available exception.

Each Committee member must satisfy the independence requirements of the Nasdaq Stock Market LLC ("**Nasdaq**") and the more rigorous independence rules for members of the Audit and Risk Committee issued by the U.S. Securities and Exchange Commission (the "**SEC**"), subject to any available exception, and meet all other eligibility requirements of applicable laws.

Each Committee member must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement. In addition, at least one member of the Committee must be a financial expert as defined under SEC rules.

Committee members may be removed from the Committee, with or without cause, by the Board of Directors (the "**Board**").

Unless a Chair is designated by the Board, the Committee may designate a Chair by majority vote of the full Committee membership.

3. Meetings, Procedures and Authority

The Committee must meet at least once during each fiscal quarter.

The Committee has the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of our constitution that are applicable to the Committee.

A quorum will comprise two members of the Committee. In the absence of the Committee Chair at a meeting, the attending Committee members will elect a Committee member to act as Chair for that meeting.

The Committee may retain any independent counsel, experts or advisors that the Committee believes to be necessary or appropriate.

We must provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attest services, for payment of compensation to any advisors employed by the Committee and for payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

In addition to the duties and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities consistent with this Charter, the purposes of the Committee, our constitution and applicable Nasdaq rules.

The Committee may conduct or authorize investigations into any matters within the scope of the duties and responsibilities delegated to the Committee.
